How Can You Help?

Parent support is very valuable in fourth grade and your child's level of success is directly related to your involvement. Having parents spend time reinforcing and checking their child's homework along with reading and emphasizing comprehension strategies on a daily basis is the most important way you can provide for your child academically.

Having opportunity to participate in the classroom is provided in a variety of ways. If you are able to volunteer for any of the following,

PLEASE print and return by the **end of the first week of school.**

Name

_____ Room parent - help organize parties and special events

_____ Donate items for parties and special events (i.e. napkins, treats)

_____ PTO Box Top parent

Thank you for all your support!
You're very valuable to your child's school experience.
